Dear Sir/Madam,

**Invitation: The 3<sup>rd</sup> Annual Conference of China International Development Research Network  
(2 July 2015, Landmark Convention Centre, Beijing)**

On behalf of the management group of the China International Development Research Network (CIDRN), I have the pleasure to invite you to the 3<sup>rd</sup> Annual Conference of the CIDRN. We believe this will be an opportunity for development researchers and practitioners to share knowledge as CIDRN always aims to provide a platform for enhancing knowledge exchange and cooperation between China and international development communities, and for supporting knowledge-based policy development, thereby assisting in the formulation of China's international development policy.

The 3<sup>rd</sup> annual conference and the mid-term review will examine the achievements CIDRN has accomplished and their impacts, and to provide feedback to the on-going activities, as well as to initiate the preparation for the next stage of CIDRN's program after the first three-year project cycle. We would also like to invite you to the reception after the meeting. Attached are the draft agenda and registration form for your reference.

Should you require more information on the conference, please feel free to contact my colleague Dr. Zhang Chuanhong ([rcid@cau.edu.cn](mailto:rcid@cau.edu.cn)). Please confirm your attendance by sending us the registration form before June 20, 2015.

Yours sincerely,
